Please note that the Peninsula CEFF region includes the counties of Devon, Cornwall, Somerset and Bristol. If you are a competitor from outside of our region, we welcome your application and hope that you enjoy the fishing, company and scenery in this beautiful part of the country. To help promote fly fishing in our region, we have been fortunate enough to have been given a perpetual trophy and prizes for our competitions. Therefore, to avoid under potential misunderstanding on the day, although you will be competing for the ultimate prize of reaching the National Final, the perpetual Trophy and prizes for the day are separate from the qualification event, and will be awarded to the top finishing members from within the Federation region.
